

# PRO-SONIC

Universal Wireless Audio System

*Enjoy the Freedom  
of Wireless Audio*

*It's easy to set up and go  
detecting, with no messy  
cables to get tangled in!*

- Use headphones or built-in speaker
- Adjustable volume setting
- 32-feet / 10 m operating range
- Long battery life
- Charge from your car, AC power or USB charger

### Compatible with any detector

Supplied with a 6.35 mm (1/4") Transmit Module audio cable and an SDC 2300 adaptor cable.

We Change People's Fortunes

“The PRO-SONIC system is easy to set up and gives a clear signal on all my Minelab's. It's also transferable between my SDC and 4500, eliminating annoying headphone cable issues.”

– Minelab Field Tester

## Enjoy the Freedom of Wireless Audio

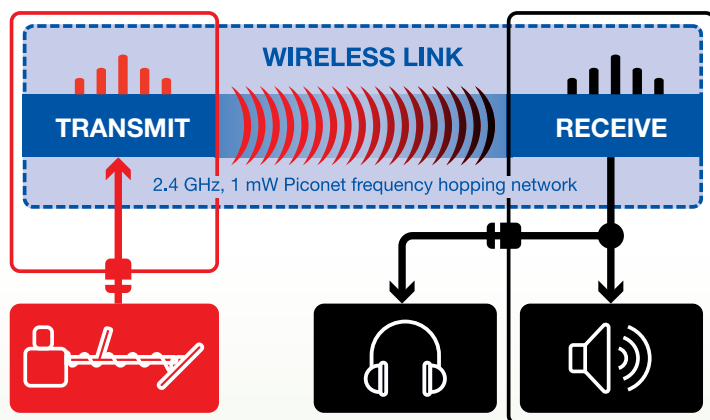

The PRO-SONIC wireless audio system generates audio using advanced wireless technology to achieve clear sound with minimal perceivable time delay.

The PRO-SONIC Receive Module features an internal loudspeaker and a 6.35mm (1/4") headphone socket for use with your choice of headphones. It can be attached to your harness or clothing using the metal belt clip.

### Wireless Technology

The PRO-SONIC Transmit Module sends out low-power (mW) radio waves using the ISM frequency band (2.402 – 2.480Ghz).

The PRO-SONIC Receive Module senses these signals and establishes a piconet communication network with the Transmit Module, using frequency hopping to eliminate interference from other wireless devices.

### Everything You Need

The PRO-SONIC system contains everything you need for clear, fast, wireless audio.

PRO-SONIC is compatible with any detector, and comes with an SDC adapter cable and a handy car charger for charging on the go.

Specification	Transmit Module	Receive Module
Radio frequency range	2.402 – 2.480 Ghz	
Wireless range	32 feet / ≤10 metres	
Operating time	10 hours	16 hours
Stand-by time	50 days	100 days
RF transmission power	0 – +8dBm	
Audio amplifier power	3 W	
Audio distortion	<1% @ 1 kHz	
Response time	<50 ms	
Volume adjustment	7 levels	
Size	2" × 1.38" × 0.63"	4.29" × 2.44" × 0.89"
	50mm × 35mm × 16mm	109mm × 62mm × 22mm
Weight	0.8 oz / 23 g	3.8 oz / 110 g
