Appendix 1

Product Description

For the serious detectorist who demands ultimate performance. As if Multi-IQ technology, audio control, and pinpoint wasn't enough the 540 also boasts iron-bias control, red LED backlight and rechargeable batteries. What's more, it comes with a waterproof 12" coil as standard for greater depth. No matter where the hunt takes you, the 540 is the ultimate detector that lets you detect on your terms. The Vanquish 540 includes Bluetooth for a low-latency wireless audio connection.
